Amy?
Are you awake?

What?

No.
I'm not awake.

I hate myself, Amy.

I mean--
I hate David too of course.
For the way he handled things.

But I know I'll forgive him eventually, because--
Well, I love him.
heh

But I don't think I can ever forgive myself.
Not for this.
Cassie...
Looking back now it's so clear.
I screwed everything up.
I was too stupid to see how

unhappy he was...
Too scared to admit it was my fault.
And now I've driven him away--
--this perfect guy who I'll never get a second chance to be with.
I let that happen and I hate myself for it.
Cassie...

Don't say that.
Why not?
It's the truth.
It--
It's the facts, but--
It's not the truth.

What's that supposed to mean?
It means--
You--
You messed up but you're not--
It's not the end.
You know?
It's the end, Amy

We broke up.
Yes--
But it's not the end for you.
You don't have to destroy yourself over this.
You don't have to--
To--
--to give into the

Nothing!
What are you talking about?
You're not making any sense.
Cassie, when I look at you, I don't see a failure, I see my friend.

And-- I refuse to see you any other way.
I won't define you by your mistakes.
I won't

hate you.
So please, don't hate yourself.

Hmm.
I can't believe you're here, Amy.
When I asked you to sleep over tonight I thought you'd say no.
I thought you'd side with David over all this.

I'm not going to take sides.

I love you both.

Amy?
Yeah?
NO
If I ever hurt you, tell me before it's too late, okay?
It's a deal, Cass.
